

International Plastic Modelers' Society 2017 National Contest Categories

In general:

Specific scale applications for each Class are listed below at the start of each Class.

Unless otherwise specified, each Category includes model subjects of all eras, types, subjects, and scales.

Split Categories:

Categories may be split into two or more sub-categories. The use and naming of splits will be based on the entries at the contest and determined by the national contest judges. The maximum number of splits will not exceed the identified "pre-planned splits" listed below, plus 5 "unplanned splits". Therefore, the total category trophy packages (1st, 2nd, and 3rd place awards) will be the sum of the categories and pre-planned splits listed herein, plus 5 additional trophy packages.
