Let's Build Something

ACME is a group of modeling enthusiasts of all ages, sharing a common passion for building all types of scale model cars: factory replicas, classics, street rods, customs, drag racing, road racing, NASCAR, non-tracked military, motorcycles, etc. If it has wheels someone in our club builds it.

Our mission is to promote the hobby of model car building through teaching, encouragement, and fellowship with respect to all builders and skill levels.

We invite you to join our gatherings, typically the fourth Sunday of every month from 1:30 - 4:30 PM at the Switzer Public Library in Marietta, GA. For more information please check our website www.acmescalemodelers.com.

ACME hosts the Southern Nationals, one of the premier modeling events in the country. Held every fall since 1996 the Southern Nationals attracts many contestants from all corners of the USA and features many of the best vendors in our hobby.
