Contest Guidelines

Welcome! We're glad you're here, and we look forward to seeing your work.

1. **Open to All:** You do not have to be an IPMS/USA member to compete.
2. **Model Care:** Models may be handled during judging, but we will take every precaution to protect them. The IPMS Phantom Phlashers are not responsible for loss or damage.

Judging

1. Every model is considered—nothing is overlooked.
2. Judging is based on **construction, finish, realism, scope of effort, and accuracy.**
3. The Head Judge will resolve any questions or disputes. All decisions are final.

Eligibility & Entry

1. Models must be the **sole work of the entrant.** No diecast or professionally built models.
2. Enter models in the appropriate category (based on markings).
3. Each model may only be entered once but can be considered for special/theme awards.
4. Models that have won at an IPMS/USA National or Regional competition are not eligible.

Awards

1. **1st, 2nd, and 3rd place** awards will be given in each category.
2. A Modified No Sweeps Rule is in effect—each entrant may win no more than 2 awards per category.
3. Models do not have to place 1st to win a special award.
4. Only **1st place models** are eligible for "Best Of" awards.
5. The Phantom Phlashers Memorial Award is selected from "Best Of" winners.

Registration

1. Please register all models **before placing them in the display area.**
2. Complete entry forms fully and note any special/theme award eligibility.
3. **Registration closes at 12:00 PM CST.**

Junior Entries

1. Modelers age **18 and under** may enter Junior categories.
2. Juniors may also enter open categories, but those entries are not eligible for "Best Junior" awards.

Out-of-the-Box (OOTB)

1. OOTB entries must follow IPMS guidelines and be built primarily from a single kit.
2. Limited additions (such as decals or certain kit-supplied parts) are allowed.
3. **Instruction sheets must be attached** to the entry form for OOTB eligibility.
4. Please see the IPMS/USA website for full details.

Bases & Dioramas

1. Bases are allowed but only judged in diorama categories.
2. Adding extra figures or scenery (beyond the model itself) makes the entry a **diorama**, which must be entered in the proper category.

Special Displays

1. If your model requires power or special placement, please notify the contest contact in advance.
