

IPMS/USA CHAPTER INSURANCE COVERAGE...

The insurance policy we carry is a Chapter Liability Insurance Policy which covers any meetings or events that a chartered chapter may hold. The Certificates of Insurance are meeting/event specific meaning that chapters should request a Certificate of Insurance naming the venue where said meetings/events are being held. If the venue requires an entity to be named as an additional insured, we can include them on the event specific Certificate. The policy limits are as follows:

General Aggregate	\$ 2,000,000
Each Occurrence	1,000,000
Damage to Rented Premises (each occurrence)	100,000
Medical Expense (any one person)	10,000
Personal & Adv injury	100,000
Products – Comp/Op Agg	1,000,000
Umbrella Policy:	
Each occurrence	1,000,000
Aggregate	1,000,000

This policy does not cover damage to models that are entered in a contest or display – it is strictly a liability policy.

The policy renews on January 15th each year, so a Certificate issued in one year does not carry over to the next year requiring a request from the chapter for a new certificate. These requests should be made to the office manager - manager@ipmsusa.org .

NATIONAL INSURANCE GUIDELINES FOR A LOCAL CHAPTER/REGIONAL EVENT

- **BEFORE** signing any contract for a facility, the host/s must check for the following:
 1. Does the facility require an "**additional insured**" to be named? If so, specific name(s) are needed.
 2. Note that the insurance company **CANNOT** provide coverage or a certificate of insurance if:
 - the words "**Primary or Non-Contributory**" are required on the certificate
 - a "**Waiver of Subrogation**" is required
 - a "**Hold Harmless & Indemnify**" clause is required
- Only currently chartered chapters may obtain insurance coverage

- Any event must be hosted and/or co-hosted by chartered IPMS/USA chapter/s.

- The chapter/s' names/logos must be the most visible symbols on all documents/advertising

- The event may be "sponsored by" or "supported by" a third party on advertising, but it must be in a manner that clearly identifies the chapter/s that are the host/co-hosts.

- Third party sponsors' name/s and/or logo/s **may not** appear at the **top** of any documents or advertising and if they do appear, must be smaller in font than that of the host chapter/s.
