You can click the “Renew to (date)” button to renew for the same number of years as you did last time, or click “Change” next to “Membership Level” to choose a different membership length or type. (If you don’t see the “Change” button see [Pending Renewal Level Changes](#).)

Follow the instruction on screen and don’t forget to check your profile information to be sure we have everything correct before you click “Update and Next” to go to the confirmation screen. Choose the “Pay Online” button to pay using most debit or credit cards. We also accept payments via PayPal, or by check mailed to the IPMS/USA National office. Updating your membership takes a bit longer if you choose to pay by check or PayPal.

Please note that changing membership levels can sometimes result in an incorrect renewal date appearing. Don’t worry- we review and correct the renewal dates on every membership level change.

[Pending Renewal Level Changes](#)

If you are currently in Pending Renewal status because your membership renewal is coming up, you won’t see the “Change” button to change membership levels. Please contact our Office Manager at manager@ipmsusa.org and she can assist you with changing levels.
